Making a Difference

A man and a young teenage boy checked into a hotel and were shown to their room. The receptionist noted the quiet manner of the guests and the pale appearance of the boy. Later, the man and boy ate dinner in the hotel restaurant.

The staff again noticed that the two guests were very quiet and that the boy seemed disinterested in his food.

After eating, the boy went to his room and the man went to ask the receptionist to see the manager. The receptionist initially asked if there was a problem with the service or the room, and offered to fix things, but the man said that there was no problem of the sort and repeated his request to see the manager.

When the manager appeared, he took him aside and explained that he was spending the night in the hotel with his fourteen-year-old son, who was seriously ill, probably terminally so. The boy was very soon to undergo therapy, which would cause him to lose his hair. They had come to the hotel to have a break together and also because the boy planned to shave his head that night, rather than feel that the illness was beating him. The father said that he would be shaving his own head too, in support of his son.

He asked that staff be respectful when the two of them came to breakfast with their shaved heads.

The manager assured the father that he would inform all staff and that they would behave appropriately.

The following morning the father and son entered the restaurant for breakfast. There they saw the four male restaurant staff attending to their duties, perfectly normally, all with shaved heads.

Let us all show the love of Christ by taking opportunities where we can to help people and make a difference to their lives.

Welcome to Our Service

We pray God's blessing on you and your family as we worship on-line.

Good
Advice

Work hard so God can say to you, "Well done." Be a good workman, one who does not need to be ashamed when God examines your work.

Know what His Word says and means.

Don't be conceited, sure of your own wisdom. Instead, trust and reverence the Lord, and turn your back on evil; when you do that, then you will be given renewed health and vitality.

For wisdom and truth will enter the very centre of your being, filling your life with joy.

2 Timothy 2:15 , Proverbs 3:7-8, 2:10 (The Living Bible)

Today concludes Scripture Union Chappie Week

SU QLD chaplains, or 'chappies', provide spiritual and emotional support to school communities. They are in the *prevention and support business*: helping students find a better way to deal with issues ranging from family breakdown and loneliness, to drug abuse, depression and anxiety.

They provide a listening ear and a caring presence for children and young people in crisis, and those who just need a friend. They also provide support for staff and parents in school communities.

Thank You!

*Karen for all you do
for our kids.*

**Praise
GOD!**

Bob and Desley Haigh would like to thank everyone for their prayers, texts and phone calls in support of Monika and the whole family. Mon received the results of her full body CT Scan on Tuesday, and was overjoyed to be told that the scan showed no signs of the cancer having spread at this stage. Although the

Doctors say it will return, at the moment, she is able to just enjoy each day without the worry of having another growth in her body. She is so thankful for our loving Father. She will be monitored every 2 months, so will have her next CT Scan at the end of July. Praise God for hearing and answering all our prayers.
