

Welcome to Our Service

We pray God's blessing on you and your family as we worship together

Please pray for -

- ★ Healing for Nick Davies
- ★ Joylene Penna — healing for her arm.
- ★ Bob & Desley's daughter Monica as she begins another course of chemo-therapy.
- ★ An end to the crisis in Victoria.
- ★ A successful appeal for the re-instating of the broadcast Licence for the Christian TV station in Israel. (see World News)

There will be a forum after the service next Sunday 16th August.

It is to discuss the pastoral review, and the upcoming election of deacons, elders and leadership.

It is a discussion only—no decisions will be made until a members meeting.

World News

Radio in Russia

In the past year, one radio ministry to Russia has received half a million written responses and 1,500 direct phone calls, distributed 4,000 radios and run many online workshops and information sessions for new Christians. In spite of government obstructions to gospel activity, God is working in the lives of thousands of Russians.

Opposition in Israel

A broadcasting licence issued to a Hebrew-language Christian TV channel has been revoked for 'illegally seeking to spread the gospel of Jesus Christ in Israel.'

The network is appealing the decision.

At the end of the service, please remember social distancing is very important.

Acts of Kindness

In the midst of the coronavirus pandemic, when the news is full of worrying statistics and advice on social distancing, there is a bright light to be found in the acts of kindness that everyday people are sharing. Right now, a little help can go a long way. Here is an example of the way neighbours have stepped up to care for each other and practice kindness during this challenging time.

A woman helped an elderly couple get groceries

A young woman explains how she helped purchase groceries for an elderly couple that was afraid to enter a grocery store.

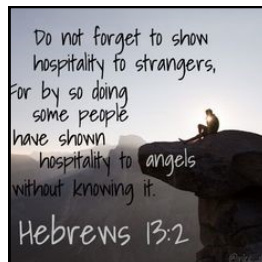

"I went to the grocery store this afternoon. As I was walking in I heard a woman yell to me from her car. I walked over and found an elderly woman and her husband. She cracked her window open a bit more, and explained to me nearly in tears that they were afraid to go in the store.

They were afraid of getting sick as they are in their 80's, and heard that the coronavirus is affecting older people disproportionately. Also they don't have family around to help them out.

Through the crack in the window she handed me a \$100 bill and a grocery list, and asked if I would be willing to buy her groceries.

I bought the groceries and placed them in her boot, and gave her back the change. She told me she had been sitting in the car for nearly 45 min before I had arrived, waiting to ask the right person for help."
