Welcome to Our Service

We pray God's blessing on you and your family as we worship together. If you are visiting please make yourself known to someone and stay behind for a chat .

- Diane Merry who has had a nasty fall
-
- Pray without ceasing for members of our church family who are unwell – including Mandy Willmann, Christine Davies and Dave Copus
- pray for the people in our country in the ongoing pandemic – pray for wisdom for all our politicians to do the best for us and our economic recovery.
- prayer for unity amongst Aussie Christians. Pray that we will be united in love, respect & prayer, and to uphold the work of the Holy Spirit in the lives of our church family, and in our communities.
- Pray that in the midst of these trying times that God's love will shine, and that HIS WILL BE DONE ON EARTH.

Paul writes to Timothy under Roman guard, requesting that he come to visit.. Paul's repeated imprisonments for preaching the Gospel have earned him a bad reputation. Many have already distanced themselves from the negative stigma of being his friend, so Paul knows that asking Timothy to visit comes with a cost. Timothy will need great courage to be associated with Jesus and Paul's sufferings, so Paul assures him that the risk is worth the cost. While others may reject and abandon Timothy, Jesus will always be faithful. Jesus knows what it is like to be abandoned, so his comforting presence is even more tangible in times of suffering. And even more than that, Timothy can be encouraged because hardships have an expiration date. Jesus' resurrection proves that suffering will end and that resurrection for his followers is coming too. One day, all things will be made new. What can we learn from Paul's encouragement to Timothy? In our culture today, what are the risks of following Jesus and supporting those who suffer with him? And why is following Jesus worth the risk?

'In due season He will honour you with every blessing.' [Psalm 37:34](#) TLB

When God gives you a *promise* or a *vision* for your life, it's like a seed; it needs time to take root before it can bear fruit. It's like the birth of a baby. First conception, then implantation, then pregnancy, and finally the day of delivery. And what do the parents do during this time? Prepare! They get ready for the challenges and responsibilities of parenthood.

You may *think* you're ready, but God *knows* when you're ready. Though he had already been anointed king, David had to wait about 15 years until God removed Saul from the throne. And during those years he learned valuable lessons. Here is one of them: *'Don't be impatient for the Lord to act! Keep travelling steadily along His pathway and in due season He will honour you with every blessing.'* ([Psalm 37:34](#) TLB)

You must learn the difference between what *you* can do and what *God* can do. Fools rush in! If you don't want to risk delaying the fulfilment of God's plan for your life, don't get ahead of Him. *'The vision is yet for the appointed time... it will not fail. Though it delays, wait for it; for it will certainly come.'* ([Habakkuk 2:3 KJV](#)) Everything God does is by appointment. And an appointment is simply an event that has already been set. God has scheduled a time for bringing to pass two things in your life: *His* promises and *your* vision. And there is great peace in knowing that nothing the enemy does can pre-empt these two things.

So, when you grow impatient, remind yourself, 'My life can't end without this happening. God said it, and He will do it!' "The Word for Today"

Few burdens are heavy when everybody lifts.

School Breakfast Club

(a ministry of School Chaplaincy) is run on Tuesday and Thursday mornings at the Tin Can Bay State School. This is a fantastic way to minister to those students who are less fortunate and also a great time to get to know the kids. "If we can give just a handful of children a good start to the day, then it is worth it."

Donations of food items are always needed to allow this ministry to continue — Margarine, Vegemite, Honey, Jam, Cheese Slices (individual wraps), Long Life Milk, Milo and Apple Juice Poppers (100% juice).
